

LIVING THE THIRD WAY

For he who calls you is faithful

HEBREWS 10:23

The “Third Way” is the “Jesus Way.”
It’s how we follow him, fully and faithfully, in every area of life.

When Jesus came into our world two thousand years ago, he brought into it something entirely new. He proclaimed a new way of life in a new Kingdom, calling us to trust and follow him as King.

This tool is designed to help you follow Jesus in challenging personal or cultural situations. Using the Third Way paradigm, it guides you through an interactive, Spirit-dependent process. The goal is to help you discern a response that reflects the heart and reign of Jesus in every area of life.

**Begin with prayer, asking the Spirit for guidance
with a specific challenge in your life.**

Walk in the light

(1 John 1:7-9)

Invite the light of God to shine in your heart, revealing areas that need confession. Ask him to show you the path forward and help you walk in Spirit-dependent humility.

What attitudes or actions do I need to confess or surrender to God? How might the Spirit lead me to engage this situation with humility and discernment?

Love without fear

(1 John 4:16-18)

Picture yourself resting securely in God's presence, fully known and fully loved. As we trust in his perfect love for us, we are freed to love others without fear.

What fears might be limiting my ability to fully express God's love in this situation? What would it look like for God's love to flow freely through me?

Hold fast to the truth

(John 14:6)

God's Word is truth, revealed in Scripture and embodied in the person of Jesus. Look to the written and living Word to shape your beliefs and guide your actions.

How does God's Word shape my perspective and response to this situation? What can I learn from how Jesus engaged similar challenges or people?

For he who calls you is faithful

(Philippians 1:6)

Reflect on Jesus' promise that he is redeeming all things for God's glory. With this in mind, invite the Spirit to guide your choices and empower you to engage with humble confidence.

How is God faithfully shaping Christ in me through this circumstance? What step of faith is Jesus inviting me to take to follow him fully in this moment?

Reflect on what the Spirit has shown you. Thank God for his guidance, and pray for continued direction as you seek to live out the Third Way.
