# DINNER TIME QUESTION

Is it easy or hard for  
you to ask God for  
forgiveness?

Why?

# DINNER TIME QUESTION

When you get angry,  
how do you react?

How could you react in  
a way that honors God?

# **DINNER TIME QUESTION**

**What is something  
you are good at?**

**How can you use that  
talent to glorify God?**

# **DINNER TIME QUESTION**

**What is something  
amazing that has  
happened to you lately?**

**How can you praise  
God for that?**

# Find a flashlight in your house and turn out all the lights.

Shine the flashlight on the ceiling and see if your kids can follow it as you move it across the walls. Talk about how God created the sun to move across the sky during the day and the moon at night. God is so great and mighty and only He controls what the Sun and Moon do.

Read the story about when God stopped the sun in the middle of the day from Joshua 10. See who can create the best shadow puppet using their hands.

**PRESCHOOL  
ACTIVITY**

# In the story of Samson, God shows us how important it is to control our anger.

God gives us emotions to help guide us, but he wants us to control all of our emotions. He does not want them to control us.

We are going to practice controlling your laughter in this game today. Take turns having someone make a straight face. The goal is to make that person laugh by making silly faces or noises. Once the person laughs, it is the next person's turn. Whoever can keep a straight face the longest, wins!.

# PRAYER PROMPTS

## FOR YOUR KIDS

Lord, we trust you to be near to our children even when we aren't with them. Would the closeness of your Spirit give them courage to love others like you love each of us.

## WITH YOUR KIDS

Dear God, thank you for loving us even when we don't remember. Help show us how mighty and strong you are today. Show us how we can help love others like you love us.
