Gratitude Garland

- Cut strips of paper and grab a stapler and/or tape to start this craft.
- Encourage your kids to share ways they are thankful to God ... Jesus, their family, friends, teachers, church, the sun, pets and more are all reasons to be thankful to God!
- For each thing mentioned, write it on a strip of paper and decorate it if you want.
- Staple the strips of paper into a circle, one around another, connecting them into a long paper chain!
- Feel free the hang the paper chain somewhere in your house as a beautiful reminder of God's faithfulness and all the ways we can be thankful to Him!

PRESCHOOL ACTIVITY

A Jar of Thankful

- Cut and collect little pieces of paper and a jar or container you have around your house. Feel free to decorate the container and make it fun!
- Have each person write one way they are thankful to God on a piece of paper and put it in the jar.
- Challenge everyone to write a way they are thankful at the end of the day every day this week, so that at the end of the week you can read about all that God has done in your family over the course of the week!

PRAYER PROMPTS

WITH YOUR KIDS

Dear God, thank you for protecting me and guiding me. I pray that in all that I do I will glorify you. Would I remember and see all the ways you have provided for me. Amen.

FOR YOUR KIDS

Thank you, Jesus, for your protection and guidance over our family. I pray your wisdom and strength over each one of us as we go about our days and our weeks. Would we each look for ways to honor and glorify you in our everyday. Would we have eyes to see all the different ways you have provided and are currently providing. Amen.
